

SKIN BOOSTER

# Caratfill Skin Booster

**Glow, refined. Hydration meets renewal.**

A multi-nutrient skin booster designed to support hydration, firmness, and a more even-looking tone. Its blend of skin-supporting ingredients helps refine texture and keep skin looking healthy and radiant.

## WHAT IT DOES

- Supports deep hydration for a softer, smoother look
- Helps reduce the look of wrinkles and fine lines
- Helps improve the look of firmness and elasticity
- Supports a more even-looking tone and refined texture

## IDEAL FOR

- Dull or dehydrated-looking skin
- Visible texture and uneven tone
- Loss of elasticity and firmness
- Skin prone to breakouts or textured areas

### KEY INGREDIENTS

- Glycerin for moisture support
- HA (Hyaluronic Acid) for deep hydration support
- Hydrolyzed glycosaminoglycans for skin-smoothing support
- PN (Polynucleotide) for regeneration support

### WHY IT STANDS OUT

- Comprehensive approach: hydration, firmness, tone, and texture support
- Helps improve the look of texture and turgidity for a smoother finish
- Supports clearer-looking skin and helps reduce the appearance of breakouts
- Designed to support visible tone improvement and refined-looking pores

### RESULTS TO LOOK FOR

- More even-looking tone and brighter appearance
- Improved-looking moisture and elasticity
- Smoother texture with a firmer-looking finish
- Softened appearance of fine lines and visible texture
